Re: December Events

We began our holiday decorations at the front gate over the Thanksgiving weekend. The lights went up around the palm trees and the wreaths and greenery now decorate the guard house and fence. River Wilderness is almost ready for the Holidays. When the poinsettias replace the zinnias early this week, our decorations will be complete. (We will not be putting the zinnias out for you to take this year. They have performed beautifully over the past few months and are now past their prime). We hope you enjoy the holiday decorations.

Verizon will be in our community to demonstrate FIOS services and to talk to RW about new products and options available for our community. This event will be held in the clubhouse dining room from 3:00 PM to 6:00 PM Monday afternoon, December 8. This is a Verizon community appreciation event. Appetizers and soft drinks will be provided.

The Country club is also planning a special December for RW residents. **All residents** are invited to Thursday dinners for the month of December and to a visit with Santa Claus for the kids and grandkids on December 20.
