Re: HOA Meeting Reminder

The RW HOA is holding a **Special Membership Meeting on June 9, 2015 at 7:00pm**. The meeting will be held at the River Wilderness Golf and Country Club Clubhouse.

The RW HOA Board has received a petition from 20% of our residents requesting that the board/community consider purchasing a package of recreational amenities for the entire community from the RWG&CC.

The sole purpose of the special membership meeting is to hear property owner input on the proposed Community Amenities Package.
