Re: 2016 Budget

The attached is the proposed HOA Budget for 2016 along with an explanatory cover letter. This package was sent via U.S. Mail to all residents last week at your official address of record. The attached is identical to that mailing. We are also emailing it to you because several residents have asked for communications in this email format.

This budget will be addressed by the board at the regularly scheduled [November 17, 2015](#) HOA Board meeting. As usual, all members are welcome at HOA board meetings. The Schedule and Agenda for these board meetings are posted on the [www.rwhoa.org](http://www.rwhoa.org) website under Board. Questions can be directed to the board at any time by sending them to [info@rwhoa.org](mailto:info@rwhoa.org).
