Re: River Wilderness Community Resource Guide

The attached document is a quick reference guide for River Wilderness. It is given to new residents when our Welcome Committee visits them just to get them started in the community. It has just been updated for new residents. We thought you might also like a copy for your reference.

This document is also posted on our website at www.rwhoa.org. Look under Documents, then Guides and Forms, then Resource Guide.

Click to [download Resource Guide](#).

Syble DiGirolamo,
HOA President
