Re: No Parking in Exit Lanes / Improved School Bus Drop Off & Pick Up

This is a reminder that there is no stopping or waiting permitted in the exit lanes from the River Wilderness Community at Old Tampa Road. Vehicles blocking the exit lane create a safety hazard for drivers exiting the community. This policy will become even more important when the Ft. Hamer bridge opens and the traffic on Old Tampa Road increases.

We have recently noticed that parents park in the exit lane when dropping off or picking up children for the school bus. We ask that parents use the Parking Lot adjacent to the exit. The HOA has recently improved the facilities by providing a shell and stepping block pathway to access the school bus pickup area. We have also installed new lighting for the pathway. In addition, there is a bike rack available.

The RW/HOA Board would appreciate your cooperation in the interest of security and safety of our children and the community.

The HOA Board
