Re: Open House

River Wilderness will reinstate an Open House "Map" Sunday on October 15, 2017 and will support Open House Sundays on the THIRD Sunday of each month.

The attached policy statement details Open House procedures for homeowners and real estate agents. The policy is posted on the RW website www.rwhoa.org.

The gate security officers will have open house visitors fill out an entry form and will photograph drivers license prior to entry. Gate Officers will hand out a single community map/list of the Open Houses.

Open Houses at all other times will require visitors to be individually pre-authorized at the gate following normal resident guest procedures.

The HOA Board
