Re: Construction Starting on new River Wilderness Neighborhood

Lee Wetherington Homes is the builder for a new neighborhood within River Wilderness. The neighborhood will be called Cypress Glen and is located in the Northeast corner of the River Wilderness Community along Ft. Hamer Road and Old Tampa Road. Access from inside the community will eventually be from Little Country Road at the entrance between 3714 and 3800 Little Country Road.

The first phase of the construction involves grading, drainage, and utilities installation. During this phase, all construction equipment will enter Cypress Glen from a temporary gated construction entrance on Ft. Hamer Road. Passing between Little Country Road and Cypress Glen will be blocked during this phase. Construction plans are designed to minimize the impact on the existing River Wilderness community and our roads.
