Re: Geraniums

Our Landscaping staff will be changing the flowers around our Old Tampa Road entrance on Saturday of this week (May 4) - weather permitting. We will be trying a new process this season. If you (any community resident) would like to have geraniums, you may pull them yourselves on Thursday, Friday, or early Saturday. Please be careful as you take them not to leave a mess of mulch in our streets or on the nearby grassy area. Our Landscapers will not be putting any geraniums in the fitness center parking lot after removing them.

Best Regards,

The HOA Landscape Committee:
