Re: Proposed Truck Amendment

In the next few days, River Wilderness homeowners will receive voting material for the River Wilderness of Bradenton Foundation from Argus Property Management. After much debate and comments from the homeowners of the Foundation, the Board of Directors has proposed an amendment for trucks as noted in the mailing you will be receiving.

**Voting Directions:**

This amendment vote requires every homeowner that votes to return to Argus Property Management all three (3) pages of the BLUE "Proxy/Ballot".

1. On the top of BLUE page #1, enter your Lot Number or House address. Check (a) or (b) to designate your proxy (required to establish a quorum).
2. On the bottom of BLUE page #2, check your vote (yes or no).
3. On BLUE page #3, SIGN, PRINT NAME, and DATE.
4. Place all THREE (3) BLUE pages into the envelope supplied.
5. Enter your name, address, lot number and signature on the white envelope and return to Argus Property Management (via mail or bring to the meeting).

**What is needed to pass:**

The amendment will be adopted only if 2/3 of lot owners vote in the affirmative. Lot owners that vote NO and lot owners that DO NOT vote must be considered as NO votes.

**Voting Deadline:**

A special membership meeting will be held on August 6, 2019 to determine the voting results. Your vote must be received by Argus prior to that date or you may bring your vote to the meeting.

This is an important issue to residents of River Wilderness. The HOA Board encourages you to vote in order to have the outcome reflect the opinions of the total community.

Please VOTE.
