Re: New Stop Signs

In response to the many comments received on the issue of speeding and its impact on Public Safety, your HOA Board has expanded its efforts to manage speeding by installing new Stop signs on Wilderness Blvd. West and on Little Country Rd.

The new Stop signs are located at,

- \* Wilderness Blvd. West at Brookridge Ln.,
- \* Little Country Rd at Woodland Fern Dr.,
- \* Little Country Rd at Creole Ct.

Please observe all speed limits and Stop signs as you travel on River Wilderness roadways. Over the next couple of weeks, we will be testing new *speed humps* on Wilderness Blvd. West and we request your patience and cooperation as we complete installation of these new speed calming measures.

Your HOA Board understands there is no "perfect" solution to this problem for all residents. Each of us must be prepared to compromise and endure a little inconvenience in the best interest of Public Safety for all our residents, especially our children.

Thank you in advance for helping us in our efforts to find a solution to a serious problem which has been negatively impacting the safety and quality of life in this community.

Sincerely,  
Your RW HOA Board
