Re: April 21 RW HOA Board of Directors Election - Reminder

The HOA's Annual Meeting and Election for Board of Directors is scheduled for April 21, 2020. We will continue to hold the election as scheduled, but we are modifying the normal process for the meeting and will conduct the meeting to comply with the Governors executive Order 20-91. We strongly encourage members to **MAIL your Ballots and Proxy** rather than coming to the meeting to drop them off.

Ballots for the election were mailed last week. If you have not received your voting package please respond to this email and request a voting package.

We are planning on holding the election/meeting as follows:

1. All members should fill out the Blue Ballot and the White General Proxy sheet as instructed in the voting package. **MAIL your completed Blue Ballot in the Blue Envelopes and MAIL the completed White General Proxy/Carry-Over Revenue sheet in the White Envelope provided to Argus.**
2. Anyone who chooses to submit their ballot at the meeting will be lined up outside at least 6 feet apart and allowed to submit their ballot. Only one person at a time may enter the lobby to drop off their ballot.
3. The meeting will be opened (with less than 10 people) and Argus will conduct the vote count as usual. Voting for Directors and approval of 2019 Minutes are the only actions that will take place at the meeting. No Board presentations will be done at this meeting. (The presentation will be sent via email and posted on the HOA website.)
4. Results of the vote will be announced via HOA email as usual.

Due to COVID-19 restrictions and the Governor's order, we ask that you please **MAIL your Ballot AND Proxy**. This will allow the election to proceed while keeping attendance to a safe minimum.

Jan Kaufman, President
River Wilderness Of Bradenton Foundation, Inc.
