

April 14, 2020

Re: April 21, 2020 Meeting - Please submit your questions

The April 21, 2020 members meeting will observe social distancing guidelines and will have a minimal number of attendees. Only Argus employees will be allowed inside the Clubhouse to perform the ballot counting.

In our previous email, we stated that the usual Board presentation would be emailed to residents. The Board will also include responses to any questions you would like to submit.

Please reply to this email to submit your questions to the Board. Please submit your questions by Friday April 17, 2020. Please limit your questions to two (2) per household. Since this is a community forum, questions should be of general interest to the RW community and not address individual situations. Questions will not be anonymous and may be consolidated into broader topics. The Board will try to address as many questions as is practical.
