Re: Old Tampa Gate & Ft. Hamer Gate Roof Cleaning on June 27

Our semi-annual roof cleaning at the Old Tampa entrance and at the Ft. Hamer entrance is scheduled for Saturday morning June 27th. Our contractor will begin work at approximately 9:00 AM.

We will attempt to keep the gates open while the roof cleaning is being done, but there will be some times that one side or the other of the gates will need to be closed for short periods of time for safety reasons. Please note that this may cause some entry or exit delays while the roof of a particular gatehouse is being cleaned.

We appreciate your cooperation.
