Re: Final Resident Input Request – TV/Internet Providers

The RW HOA Board met on September 15 to discuss whether to enter into discussions with Frontier or Spectrum on a new multi-year bulk contract. No final decision was made at the meeting. The below-listed choices resulted.

The RW HOA thanks all of you who have provided input in response to our previous email requests. Your questions and opinions have guided our progress in this important decision process. **Even if you have provided input previously, we request that each household respond to this email and indicate your preference with a single number (#1, #2 or #3) no later than September 22, 2020.**

Thank you ahead of time for your valuable time and input.

The RW HOA Board

Choice #1 - Spectrum

HOA Bulk Contract with Spectrum for TV/Internet - \$42.25/month

Platinum Channels

2 DVR's plus 1 digital box

400 Mbps X 20 Mbps, wireless router

Free service calls, 5 year term, 3% rate cap

"Door fee" has now been used to reduce the above monthly rate

Your total cost is about \$14 a month (\$168 yearly) added to the HOA assessment for communications.

Choice # 2 - Frontier TV ONLY

HOA Bulk Contract with Frontier for TV ONLY - \$35/month

Prime HD, Quantum Enhanced

1 Quantum Media Server (DVR)

1 Broadband Home Router (internet not included)

Service calls extra, 5 year term, rate cap (negotiated)

"Door fee" of \$100 per door paid to the HOA

Your total cost is about \$7 a month (\$84 yearly) added to the HOA assessment for communications.

Choice #3 - No Bulk Contract

Individual choice and cost

Retail rate for both TV and Internet

You will receive a reduction of about \$28 a month (\$340 yearly) in your HOA assessment for communications.
