Re: February 9 & 10 - Lane Closures at Old Tampa Entrance

Weather permitting, the two **outer most** lanes at the Old Tampa entrance will be closed all day on Tuesday, February 9 and all day on Wednesday February 10.

The two inner most lanes at the Old Tampa entrance have been cleaned, sanded and sealed. Residents and vendors should enter and exit using the two inner most lanes. Trucks that are too tall to drive under the roof overhang **must** use the Ft. Hamer entrance.

Please drive slowly, use extra caution and expect driving delays during the cleaning process at the Old Tampa entrance.

Thank you for your cooperation and your patience while we continue to perform this needed maintenance.

The RW HOA Board
