Re: Introducing Mr. Steven Higbee, RW On-Site Manager

Our new RW On-Site Manager, Mr. Steven Higbee has been working at our Community Center for just over a week familiarizing himself with our documents, website and Argus Processes and Procedures. Mr. Higbee has prior Condominium Owners Association experience and holds a CAM (Community Association Manager) License.

Mr. Higbee is now located at the Community Center 5 days a week Monday through Friday and will be available to meet with residents from 10 am to 12 noon each day. You may also make an appointment to meet with him at other times during the day.

At times, Mr. Higbee may have to be out of the Community Center to address an urgent issue in the community during the hours posted above. In those cases he will post a note on the front door on how to contact him or to schedule an appointment.

You can contact Mr. Higbee by calling the Community Center at [941-981-5520](tel:941-981-5520).

Welcome Mr. Higbee! We're very glad to have you here at River Wilderness.
