Re: RW Community Center available beginning October 1, 2021

At their September 21, 2021 meeting, the RW HOA Board approved the reopening of the RW Community Center for use by residents. Attached are the Community Center rules and regulations as adopted in 2019. In addition, we ask all users of the Community Center to wipe down all tables and chairs, before and after usage, as a precaution against the spread of COVID19.
