Re: Tree Removal on Wilderness Blvd. West Oct. 6

Tomorrow Oct. 6 the HOA will be removing several trees on Wilderness Blvd West. These trees have been inspected by an arborist and have been judged to be unsafe.

A tree inside the island near the RV Lot (on WBW) will be removed first thing in the morning. Once this tree is removed, the crew will proceed to the islands at the north end of WBW (near 3717 WBW) to remove the trees inside the islands.

Expect driving delays and please drive carefully.

The RW HOA Board
