Re: Ft. Hamer Bridge Run - Nov. 6, 2021

This is a reminder that the Ft. Hamer Gate and the Ft. Hamer Bridge will be closed on Saturday morning Nov. 6, 2021.

Expect the following closures:

- * Manatee County will close Ft. Hamer Road and the Ft. Hamer Bridge from 5:00 am until approximately 10:00 am. They will shut down Ft. Hamer Road at Mulholland Road on the North side of the bridge to the signal at Upper Manatee River road on the South side of the bridge.
- * All entrance and exit to River Wilderness **MUST** be via the Old Tampa Road Gate during this time.
- * There will be cones and tape across the road near the River House in the Islands with signs to remind us about the gate and bridge closure. There will also be signs along Island Estates Drive about the gate and bridge closure.

We thank the community for your patience and cooperation during the event!
