Re: Asphalt repairs on Wilderness Blvd West on March 1

Our asphalt contractor has informed us that on March 1, 2022 he will begin some asphalt repairs on Wilderness Blvd West. We expect that WBW will remain open throughout the day but expect traveling delays.

Please drive slowly and cautiously, as there will be workmen, heavy equipment and temporary lane closures. Please follow the directions of the workmen and allow yourself extra time when traveling on Wilderness Blvd. West.

Thank you for your cooperation
