Re: Geraniums Available

Our Landscaping staff will be changing the flowers at the Old Tampa Road entrance on Monday May 2 - weather permitting. RW residents, who would like to have geraniums, may pull them yourself from the flower beds. Please be careful as you take them not to leave mulch in our streets or on the nearby grassy areas.

Our Landscaping staff will not be placing any geraniums in the Fitness Center parking lot after removing them.

The RW HOA Board
