

June 4, 2022

Dear Residents,

1. A quick update on the club lakes. We have conducted extensive research and a meeting has been requested with the club. Scheduling for this meeting is pending. The board will provide an update of the outcome of that meeting at the board meeting following the conversation with the club.
2. As promised, I will be scheduling open hours at the Community Center on June 13, 2022, from 10am - 12 noon and from 5 - 7pm. Please feel free to drop by and introduce yourself!
3. The Fourth of July is rapidly approaching. Remember our vendor policy for holidays. We want everyone in the community to be able to enjoy a relaxing day, so we do not allow vendors to work within our community on the Fourth. Remind your vendors that work with you on a regular basis, of this policy.
4. Finally, don't forget we do not have a board meeting in July. We will resume our regularly scheduled board meetings in August.

A thought about freedom and patriotism:

"Freedom lies in being bold" - Robert Frost

Regards,

Linda Van Dillen

President, RWHOA
