

Hurricane Ian Repairs: Exception to the Noise Reduction Covenant for Sunday repairs

**Effective Only 10/10/2022 – 10/30/2022**

Dear RW Residents,

The RW HOA is initiating a Compassionate, Date-Specific Exception to our Noise Reduction Covenant for Sunday repairs related to Hurricane Ian.

This exception is effective only for the following dates: 10/10/2022 – 10/30/2022. After October 30, the noise reduction exception expires for all Sunday repairs by outside contractors.

The aftermath of Hurricane Ina in River Wilderness has caused an extraordinary demand on the supply of extremely busy and often over-booked contractors available in our area.

These extenuating circumstances are making it difficult, if not impossible, to complete necessary repairs to prevent even further damage to our properties.

The Board of Directors of the River Wilderness Association offer this date-specific Sunday repair option to relieve some of the pressure of completing Hurricane Ian related repairs to your properties.

Please remember to have all repairs adhere to RW ARC Guidelines listed at the HOA website under Community Guides, Policies and Forms.

We wish you success in restoring your property.
