Re: President's Day & Reflections on Speeding

Dear Residents,

As a reminder this upcoming Monday, February 20, 2023, is Presidents Day. River Wilderness observes "Quiet Times" which are defined as before 8 AM and after 6 PM Mondays thru Saturdays, and all day on Sundays and Holidays. Our Gate Officers have been instructed not to allow vendor admittance during these times except for real emergencies. For full details on this policy: [Click here for the RW Holiday Schedule](#)

Also remember that county waste collection is moved to Wednesday and Saturday next week due to the President's Day holiday.

By the way, Happy Valentine's Day today.

Last but not least, please show some love and respect to your fellow residents by trying harder not to speed within the community. We are seeing more instances of speeding and rather surprising (unwelcome) responses from residents when they are confronted with requests to slow down. Let's make this a safe community in which we care for, and about, all of us. Think about this: If you drive 4 miles within the community (probably the maximum drive in the community) at 20 mph

it takes 3 minutes to get to your destination, and if you drive 4 miles within the community at 30 mph, you save a whopping minute! Is it worth it?

Regards,
