Dear Residents,

We had a wonderful response from the community to volunteer to assist in any way on Election Night. We have 4 residents who will be assisting at the Check In Table, which will free up the Argus employees to count ballots.

In addition, we will have a Committee Sign Up Table as you enter. Please consider joining a committee or suggesting a new committee that we have not thought of. We are hoping for a lot of involvement in the upcoming year!

Enclosed you will find a copy of the Minutes from the 2022 Annual Meeting for your review.

Don't forget to check out the Community Newsletter that was sent out yesterday.

Regards,

The River Wilderness of Bradenton Foundation, Inc.
