Dear Residents,

A Message from the Roads Committee

April 26th through April 28th, representatives from CW3 Engineering will be working throughout River Wilderness, assessing the 12 plus miles of road in our community.

Expect to see workers doing visual inspections, taking photographs and measurements in preparation of an estimate of the current state of our roadways, and the recommendations and costs for mitigation and repair.

No roads will be closed during this time, but you may encounter road cones, golf carts and workers in the roadway.

Please take extra caution while driving during this time.

Any questions or concerns, please contact:

Ron Merigold at [ronmerigold@gmail.com](mailto:ronmerigold@gmail.com) or

Paul Burke at [paulburke\\_50@verizon.net](mailto:paulburke_50@verizon.net)

Thank you. Linda Murphy, Board Secretary [llmurphy3341@gmail.com](mailto:llmurphy3341@gmail.com)
