Re: Cyprus Glen Emergency Gate Completion-Construction Starting

Dear Residents,

Starting next week, the construction to complete the fence enclosure, and replacement of the emergency gate at Cypress Glen will commence. As a reminder, this gate is for emergency use only by Police, Fire and Emergency Medical personnel. Once construction is completed, the Cypress Glen community will be completely enclosed facing Ft Hamer Road.

With school starting next week, we want to caution students and parents to not attempt to use the emergency gate exit to travel to Williams Elementary on Ft. Hamer Road. Please exit the community via the Old Tampa Road gate to travel to school and/or drop off your students. With continued residential construction and now the gate construction in Cypress Glenn, using that gate opening is very dangerous.

Thank you for your attention to this matter.
