Re: Hurricane Updates

Dear Residents:

As of 2 PM today, the security gates will be opened at both gates and not supervised in person. The Foundation will be in touch with our security provider prior to the 6 AM shift tomorrow, and each shift thereafter, determining the timeframe it is safe to begin security supervision.

Once the winds have subsided and it is safe to review any damage within the community, the Foundation will be out to assess.

Be safe and keep in touch,

The River Wilderness of Bradenton Foundation, Inc.
