Re: Guardhouse Phones/Resident Entrance OTR Gate:

We are experiencing 2 issues in the wake of the hurricane. The phones at the OTR guardhouse are down and the gate at the resident entrance is locked in the open position.

We have contacted Main Gate to repair the resident entrance gate. Frontier has determined that there is an optic line down and they are sending a repairman to repair it. We will notify the community when these issues are repaired.

In the meantime, if you need to reach the guardhouse, please email us at info@rwhoa.org, and we will get your message to the guard.

We will be at the Community Center today to cover for Steve, who will be back on Tuesday.

We will send a notice when these issues are resolved and apologize for this inconvenience and thank you for your patience.

The River Wilderness of Bradenton Foundation, Inc.
