RE: New Resident Welcome Event - Reminder

The Events Committee is holding a New Resident Welcome evening on October 30th at 6:30 p.m. at the Community Center. Members of the HOA board will be on hand to answer questions and help with DwellingLive and the new Ciranet website.

This event is open to new residents moving in after May 1, 2023. May 1, 2023 is the date that the new Welcome Committee was formed, and it is assumed that new residents prior to this date received a welcome visit from the HOA. If you did not, please reach out to the events committee and we will make sure you have an opportunity to attend one of the welcome evenings. Also, if you are not new and you just want to learn about DwellingLive and Ciranet, you are welcome to sign up.

This event is limited to the capacity of the Community Center which is 50 people. If we have more than 50 that want to attend, a second evening can be added.

We know that the welcome visits have been sporadic over the years. We are trying this new format to welcome new residents each quarter. It is hoped that this will give everyone an opportunity to participate and streamline the coordination of the program.

Please RSVP to this event at [New Resident Welcome Event](#)

We look forward to seeing you there!
