Re: Approved Vendor Policy & Procedures

Dear Residents,

The Board is attempting to put together a policy and procedure for Vendors that work within the RW Community on a regular basis.

We would like to create a list of vendors that work with you on a weekly or bimonthly basis, e.g.:

- Pool maintenance
- Lawn maintenance
- Housecleaning
- Home health care

And those vendors who work with you at your home regularly but on a less frequent basis, e.g.:

- Pest
- HVAC

We are looking at the feasibility of assigning bar codes to some of the most regular vendor companies, to help minimize traffic at the gates, particularly at times of high traffic. Our Security Committee will be working on this project, and we will keep the community informed as we put together the particulars.

Please send in a list of your vendors you would want included.

**Corrected email link below**

We will be tabulating this information as it is received. As there is a cost to purchase these barcodes, we will also be looking at how to defray the cost of the barcodes assigned to your vendors, if it is a company that multiple residents utilize.

[List of Approved Vendors](#)

Thank you for your assistance.
