Re: Asphalt Restoration Work in River Wilderness

Dear Residents,

This is to advise you that the asphalt restoration work in River Wilderness is scheduled to begin on December 5.

Attached you will find a summary of the work, including dates for each section of the neighborhood and how to prepare. There are 2 attachments from the asphalt company with detailed instructions regarding preparation, dos and don'ts as far as parking and driving on the roads, etc. Also attached is a color coded aerial map of the areas to be worked on.

You will see by the attachments that on December 12, work on the Islands roads will begin. Please note: **ON DECEMBER 12 AT 7:00 AM, THE FORT HAMER GATE WILL BE CLOSED AND WILL REMAINED CLOSED FOR 24 HOURS, UNTIL 7:00 AM ON DECEMBER 13.**

We understand that this may cause inconveniences to the residents of the areas that are being worked on. We ask you to make the necessary preparations and take precautions as you drive through the areas, respecting the workers as they work. We thank you in advance for your cooperation.

If you have any questions, or concerns, please contact the board at
