RE: Line Striping of Rejuvenated Surfaces and Pothole Repair

On January 3, weather permitting, the asphalt company will commence applying the stripes to the roads and parking lots that have had rejuvenation surfacing.

Striping will be applied to one side of the road at a time

The work area will be coned off to allow for dry time (15-30Min)

Once dry, the cones will be removed and work will commence on

the opposite side of the road

Please use caution when driving in these work areas

**As a reminder of which roads will be worked on, the road rejuvenation map is attached.**

**Potholes - With the changing temperatures, some potholes have started to appear. They will be repaired in the near future.**

If you have any questions, or concerns, please contact the board [rwboard@rwhoa.org](mailto:rwboard@rwhoa.org)

We thank you in advance for your cooperation as this work is being done.

Regards,
