The Hammocks: The Nicest Community on the Sun Coast

Below please find a number of 'Items of Interest' regarding River Wilderness and the Hammocks.

Upcoming Meetings

- Hammock's Annual Member's Meeting: Tuesday, November 25th, at 6:00 PM in the RWGCC dining room.
At this meeting there will be committee reports, officer reports and the introduction of the newly elected board members in addition to an opportunity for you to ask questions. Also, a representative from Valley Crest, our landscape service provider, will be on hand to discuss fall schedules and to answer any questions you might have regarding lawn and shrub maintenance.
- Master HOA January board meeting: Tuesday, January 20th, at 2:00 PM in the RWGCC Private Function Room.
- Please note that the Hammocks HOA and the RW Master HOA do not plan on holding board meetings in December. If a situation should present itself that would require a meeting before January an announcement along with details will be posted. Always check the Hammocks pool bulletin board for the 'official' posting of Hammocks board meetings.

Critter (of all shapes and sizes) Alert

It's very convenient to leave a garage door open during the day to facilitate quick and easy exits and returns. While we are very fortunate insofar as we do not have a lot of problems with garage items 'walking off', a shovel or a bicycle can disappear in an instant if the right (or wrong) person eyes something in your garage. And even if you are not concerned about two legged intruders those visitors with four legs or no legs at all can find their way into your storage areas and, eventually, into your home. Just a word to the wise: The responsibility for protecting your property starts with you.

Holiday Garbage Schedules

This year Thanksgiving, Christmas and New Years Day all fall on a Thursday. So, that means that only one weekly garbage collection will be affected. Friday's regular collection will happen on the Saturday following Thanksgiving, Christmas and New Years. Practice this coming week and if you get it right you should be set for rest of the holidays in 2014.

Happy Thanksgiving

The Hammocks board would like to say 'welcome back' to all the snowbirds and would also like to wish everyone in the community a Happy Thanksgiving. Travel safely.
