Tailgate Party

The 'game plan' of the Hammock's Social Committee is to 'field' a Tailgate party to remember in October. Bring your 'team' to the Hammocks pool on Sunday October 18 for a 1:00 PM 'kickoff'. Click on the second 'link' on the email you received for the Tailgate flyer and all of the details. Hope to see you there.

Welcome Aboard

The Hammocks at River Wilderness would like to welcome a number of new residents to the 'nicest community on the Sun Coast'. Wave and say 'hi' if you would please to Paul Mellor on Woodland Fern Drive; Darrell and Denise Fetherolf on Woodland Fern Drive; Bruce and Marie Shackelford on Maple Ridge Drive and Rick and Diane Behenke on Maple Ridge Drive. Welcome one and all.

The Eat Beat

The last couple of restaurants presented in the Happenings were 'casual' to say the least. You can find great seafood at the restaurants in Cortez Village but they are certainly a little closer to 'rustic' than some people might like. This time around the Happenings wants to introduce you to SOMA Creek Side. SOMA suggests the location, **south of Manatee Avenue**, and is at 1401 West Manatee Avenue near downtown Bradenton. Upscale and eclectic they offer unique lunches, dinners and 'bar bits' (between 4:30 and 6:30 PM). For that special occasion check out SOMA Creek Side. <http://somacreekside.com/>

What's Up in Manatee – An update for our Snow-bird friends

- For those that like 'carry-out' more than upscale dining there is a Burger King near completion next to the KFC on US 301.

- There is a proposal to build 300 apartments on Moccasin Wallow Road. The development, to be called 'The Floridian at Moccasin', would be built on 59.7 acres at 9009 Moccasin Wallow Road.
- Gas is under two dollars in Manatee county; \$1.91 in some spots.
- Do you like the color orange? There is plenty of orange along the sides of Manatee roadways. Orange barrels stretch along Ft. Hamer Road from the river to US 301 and Moccasin Wallow Road. And the barrels are in abundance along I-75 north and south of University Parkway as they take the initial steps for the 'diverging diamond interchange'.
- We have had our share of rain this season and as a result the lawns are green, ponds are up and the area golf courses are in great shape. We are experiencing sunny skies with temperatures in the high 80's so hurry back and get back into the swing of things in and around the Hammocks and River Wilderness. Hope to see you all very soon.
