Dear Hammocks Residents,

We have many residents who walk their dogs daily. For the safety of the dogs and the safety of others, it is imperative that dogs remain near the sidewalks and in close proximity to their owners. Dogs should not be permitted to walk near front doors or to relieve themselves on shrubbery and/or landscaping. It is easy to get distracted talking to friends and neighbors while out walking with your dog(s), but please remember to be respectful of your neighbors' property and our wonderful community.

Thank you for your immediate attention to this matter.
