Re: Hammocks Survey

The Hammocks HOA Board would like your feedback on several issues. We are conducting this survey to determine how many residents of our community would support changes to our covenants, ARC guidelines, or landscaping services. Any changes to the covenants would require a two-thirds vote on the issues. This is only a survey not a vote on the issues. If sufficient owners indicate they support the changes, the board will consider taking action which would include asking the residents to vote. Remember any non-vote (resident who does not vote on an issue) would be considered as a "no" vote. Budget impact would also determine if and when a change is made. It is important that you complete the survey so the HOA Board can judge the importance of the issues to the community.

You can access the survey at [Resident Feedback Survey 2018](#). The survey will take about 5 minutes to complete. After you complete each question, click the "OK" button to save your answer and comments. Please click the "Done" button after you complete the survey so the results will be captured. Once you click "Done" you will not be able to change your answers. Individual answers and comments will be kept anonymous. **One response per household, please.**

You must complete the survey by **May 22, 2018** to be included in the survey. Results of the survey will be reported to the community.
