

# **Hammocks Happenings**

The Hammocks: The Nicest Community on the Sun Coast

June 25, 2018

Below please find a number of 'Items of Interest' regarding River Wilderness and the Hammocks.

## **Upcoming Meetings & Events**

- Hammock's **July** HOA board meeting: Thursday, July 26<sup>th</sup>, at 5:00 PM in the RWGCC Private Function Room. See details regarding this meeting below.
- RW Master HOA will not have a board meeting in July 2018.
- RW Master HOA's **August** meeting will be Tuesday, August 21<sup>st</sup>, at 2:00 PM in the RWGCC Private Function Room.

### **Hammock's July Board Meeting**

As mentioned above the next Hammock's HOA Board meeting will be held on July 26, at 5:00 PM in the RWCC private function room. At that time the board will be putting together committees to research the results of the recent 'Homeowner's Survey'. Eighty-seven homes in the Hammock's were represented by returned surveys. That is a great response and it is also an indication of the high level of interest in these topics. But the survey is only the beginning. Now it is time to do the follow-up work and dig into the details and determine what can be done. As with the survey, it is important to have community involvement when reviewing the survey results. Many of you indicated on the survey that you would be interested in volunteering to do some of the follow-up work; well now is the time. Whether you have any HOA Board experience or not, please attend the July meeting and volunteer to lend a hand in turning these survey 'dot points' into something real. Be prepared to have an in-depth knowledge of our covenants.

### **Hammock's November Annual Meeting**

The Hammock's Annual Member's Meeting will be held in November and a board member election will take place. Currently, we have three board members living on Maple Ridge and four board members living on Woodland Fern Drive; Red Leaf Road does not have any representation on the board. The election will be for four board members serving for two years. Get involved. No prior experience necessary.

**Eat Beat**

- No new eateries to discuss in today's Happenings. There are rumors of a Costco coming to this area and anyone that likes fresh produce and 'off the bone ham' is waiting in anticipation for the opening of Ditwiler's Farmer's Market on US 301 but that's about the only 'food news' this month.
