HOA Board Notes

- June Seaton has resigned from the Hammocks board effective 6/14/2019. Nancy Tilbe was nominated at the 6/27/2019 meeting to fill out June's term.
- The Beautification Committee, headed up by Jean Ann Clevenger, has been busy through-out the Hammocks doing what they do best and that's making the community beautiful. Most recently they have been concentrating on the pool area where the planting pots inside the pool fence were painted and replanted, new plantings were inserted outside the fence, the ceiling of the cabana was painted along with the cabana doors and lastly new ceiling fans were installed in the cabana. The board and the Beautification Committee would like to say 'thanks' to all that participated with 'sweat equity' and dollar donations. It really has been a community wide effort. If you would like to lend a hand in the future, please contact Jean Ann and the committee at:

It's that time of year - Get Ready

- While we can have a 'hurricane experience' any month of the year the official season runs from June 1st thru the end of November. So, at this

time of the year, even if you have been through several summers in Florida, it makes sense to take a minute to review your family emergency plan if you have one or develop one if you don't. Attached please find a ten-point check list provided by Manatee county that will help you plan for a weather emergency.

Welcome Aboard

The Hammock's HOA board and the entire community would like to extend a very warm welcome to the following newcomers:

- Gary and Teresa Dean - 3113 Woodland Fern Drive
- Melinda Kurant - 3524 Woodland Fern Drive

Welcome to River Wilderness and the Hammocks.

Nice Party!

- A great big 'thank you' goes out to the Hammock's Social Committee for the very successful 'Welcome to Spring' community party in April. From the table arrangements to the pork sliders to the punch and the great weather it was a perfect day. Thanks to the committee for sponsoring the event and thanks to everyone that attended and contributed to the day's success.

Crime Fighting Team

- The Manatee County Sheriff's Office has partnered with CrimeReports.com to provide a forum where businesses and residents can voluntarily register their camera systems. In the event of a nearby crime, officers would then let the camera owner know that there is an opportunity to help solve the crime. The program is completely free and there is **no obligation to provide the video footage requested**.
- **The sheriff can't view your cameras without your permission or remotely.** This is simply to let the sheriff know who has cameras in an area. If a crime occurs on your street, they can go to the registry and contact you and ask to view the footage during the time of occurrence.
Go to www.manateesheriff.com and hit 'Register Your Camera' for more information.
- When it comes to valuables in your car the Sheriff's office asks you to make sure you hide your valuables in your vehicle, always lock your car

or, best of all, take valuables with you – don't leave your phone in the cup holder or a purse on the passenger's seat. Be Smart, Stay Safe.

Eat Beat

- If you are ever wandering around south Tamiami Trail, like on your way to Costco before the new one on SR 64 opens, and find yourself in the mood for seafood give the Fresh Catch a try. You will find this seafood grill small and cozy and while they have a traditional printed menu that lists soups, salads and entrees you will find your eyes scanning the large 'Catch of the Day' chalk board for most of your dinner selections. They pride themselves in the fact that they will offer to prepare your dish just about any way you want. There are only about ten tables in the place so get there early or make advanced reservations. They also have a 'fish market' if you would prefer to take a fresh catch home and prepare it yourself. They are tucked away in the corner of a small strip mall at 7119 S. Tamiami Trail – Buccaneer Plaza. Open 11:00 AM to 8:00 PM Monday through Saturday; they are closed on Sunday.
