Re: Hammocks Roof Shingles / Tile Vote Results

The Board would like to thank all the residents that voted to determine whether the Hammocks would allow asphalt shingles in addition to tile on our roofs. We appreciate that everyone complied with the new social distancing rules. Also, we want to thank Justin from Argus, and the Board members that processed the votes.

The results of vote to allow asphalt shingles as well as tile for Hammocks roofs are as follows:

Total ballots received 65

Votes to allow shingles 34

Votes to deny change 16

Ballots mailed in with no proxy so were not counted 11

Votes received after start of meeting not counted 4

Total. 65

Number of ballots not received from residents which are also votes to deny change 34

The vote to allow shingles in addition to tile failed to meet the 66 votes needed to pass.

The Hammocks Board
