Revised Auto Bar Code Procedure

Did you get a new car? If so, you will need a new bar code sticker that will allow access through the River Wilderness gates. In the past this procedure was handled by the Island's gate guard. Recent changes have moved the bar code responsibilities to 'Merry' at the Community Center.

The Eat Beat

Folks haven't really been eating out much lately, and as a result the 'Eat Beat' has been on something of a sabbatical. But even if you still think it wise to stay away from large crowd situations keep Floriday's in mind for when you feel it's safe to tip your toe in the water and take a quick trip to Margaritaville. New to the Bradenton waterfront is Floriday's Woodfired Grill and Bar. Located at 12332 Manatee Avenue W., Bradenton adjacent to the Compass by Margaritaville Hotel. But you don't have to be a Parrot-head — or even a hotel guest — to enjoy this new waterfront restaurant just east of the bridge leading to Anna Maria Island. Main dishes included a ribeye steak, a Daily Fresh Catch and a long list of fried favorites. Want a 'handheld'? They have several beef burgers, a crab cake sandwich and a Five Alarm chicken sandwich to name just a few. And regardless of what you order for your main dish make sure you try the 'out of this world' Seafood Gumbo with Carolina rice. They might even know how to make a Margarita! Check it out; you will be glad you did.
