

The Hammocks at River Wilderness
C/O Argus Property Management, Inc.
2477 Stickney Point Road #118A
Sarasota, FL 34231

Neighbors,

April brings us back to a weekly mowing schedule. You will see or hear the mowers again this week, weather permitting. BrightView (BV) will also be trimming the Queen and High Palms starting the week of April 25, 2022. If you have some additional trees that you would like trimmed for a small fee while BV is on sight, please send an email to the grounds committee at Hammocksgrounds@rwhoa.org. Some Grounds Committee (GC) members will be walking the grounds one day this week with Jose to discuss several items related to lawn care:

1. Mower speed,
2. Upcoming trim of high palms,
3. Develop process to identify residents request for additional tree service during palm cutting,
4. Hedge trimming that was missed and quality of trimming,
5. Ruts and sod displacement in some common areas,
6. Swale maintenance plan,
7. Mulch application on Red Leaf Road that was missed during 2021 application,
8. Blower clean-up process, and
9. BV members satisfaction of rest room privileges.

Irrigation will be handled at a different time unless there is a known emergency.

Please communicate to the Hammocksgrounds@rwhoa.org email if there are items or concerns that are not mentioned above. We will be having a follow up meeting with BrightView at their Headquarters in Ruskin on April 14, 2022 to discuss on going opportunities for lawn care, irrigation, leaf removal for next year's proposals, trimming crews and a feedback form for residents to BrightView/Hammocks Ground Committee.

All the best,

The Hammocks at River Wilderness Grounds Committee
